

answers to review questions from referee 1

Journal: Acta Crystallographica Section A: Foundations and Advances

Paper: uv5023

Authors: Lawrence C Andrews* and Herbert J Bernstein

Title: Taxonomy of lattice reduction

Referee's report

Is the paper worthy of publication?	yes, with major revision
-------------------------------------	--------------------------

What do you think the impact of the article will be (1=low, 5=high)?	3
--	---

yes

Is the work technically sound?	yes
--------------------------------	-----

Does the evidence presented in the article and supporting information justify the conclusions drawn?	no
--	----

Could the presentation be more efficient?	yes
---	-----

Can any material be omitted or deposited?	no
---	----

Is the literature adequately cited?	no
-------------------------------------	----

answers to review questions from referee 2

Journal: Acta Crystallographica Section A: Foundations and Advances

Paper: uv5023

Authors: Lawrence C Andrews* and Herbert J Bernstein

Title: Taxonomy of lattice reduction

Referee's report

Is the paper worthy of publication?	yes, with minor revision
-------------------------------------	--------------------------

What do you think the impact of the article will be (1=low, 5=high)?	2
--	---

yes

Is the work technically sound?	yes
--------------------------------	-----

Does the evidence presented in the article and supporting information justify the conclusions drawn?	yes
--	-----

Could the presentation be more efficient?	yes
---	-----
